You are owned, operated, registered, and do business in Utah and/or the United States

You and your business are based in the United States

You have been in business at least two years.

You have a Wordpress or Shopify Website, + at least (1) social media channel

You are comfortable being the public face of the brand - since this grant may include video and photography, you can't be camera shy.

You have an existing marketing budget (however small).

Good marketing strategy comes with good data. You must be able to share business financials, back-end data, and ROI.

You agree to cross-promotion at the completion of the project. We will ask for testimonials, and showcase your project on our websites, and in our marketing materials.

You are available to work on your marketing both remotely and in-person with our team for 8-10 hours per month during June, July & August, 2025

You are NOT a current client of Elle Marketing and Events

You are aware this is an in-kind services award grant valued at \$20k and has no cash value
